

Digital Safety Checklist

Where can I get further support?

Visit osb.school/e-safety for useful

websites about staying safe online

1

My passwords are strong and secure, and my account settings are private

2

I know everyone on my friends/followers lists

3

I know how to block, report and delete someone

4

I know to speak to a trusted adult (eg. parent/carer/teacher) if something is concerning me online

5

I know not to share any personal information with people I do not know

Digital Safety Checklist

Where can I get further support?

Visit osb.school/e-safety for useful

websites about staying safe online

6

I know not to meet up with anyone I've met online without an adult present

7

I understand that anything I post online will stay online forever

8

I respect others online and treat them how I'd like to be treated

9

I always get consent before sharing a photo/video of someone else

10

I have a good balance between using the internet and taking part in other activities (eg. sport, reading)
