INSPIRE TODAY, EMPOWER FOR LIFE

Dear Parent

### Results Day 2020

The results of this year's GCSEs will be released, as normal, on the 20 August. We would like students to come in and receive their results which will give them a chance to meet with groups of friends and their teachers. Advice will be on hand for students should they need help with their post 16 choices.

It is important to realise that, although teacher assessments were used this year in place of examinations, we have no prior knowledge of the grades awarded until Results Day. Teacher assessments were based on work produced in lessons and previous mock examinations. It is important to understand that teacher assessment was only one part of the awarding process. The Awarding Bodies then used statistical modelling to make amendments to grades where they felt it necessary.

In order for us to comply with social distancing guidelines we have arranged for students to come in for pre-selected time slots. They can book the same slot as their friends so that they can meet and take photographs together. Time slots will be allocated on a first come, first served basis.

We are running results day from 9.30 - 1pm.

You can book a time slot by following the link below.

<https://forms.gle/NFUHEduka925fe217>

The closing date for booking a time slot is 3pm 17 July. Time slots will be emailed to students at the start of August.

It is important that students remember that they have to bring back any loaned resources such as textbooks and revision guides. We will only release exam certificates to students when we are sure that they have no loan items outstanding.
