INSPIRE TODAY, EMPOWER FOR LIFE

Headteacher: Mrs Julia Hinchliffe **MA (Hons), MA, NPQH**

Dear Student

We hope that you have managed to access the online resources that teachers have been sharing with you this week. As a quick reminder, please use the timetable below to guide your learning.

Year 9	Monday	Tuesday	Wednesday	Thursday	Friday
	English	English	Enrichment	English	English
	Science	Maths	Maths	Maths	Maths
	History	Geography	Science	Geography	Science
	Languages	PE	Creative/Digital/ Performing	History	Creative/Digital /Performing
	REP	Languages		PE	

We will also be sharing daily activities that will support your wellbeing and personal development, so please keep an eye on your tutor google classroom page.

Keeping your work organised during the time that school is closed is really important. You will receive an exercise book this week where you can keep any written work. Make sure that you organise your google drive so that you have folders for each subject. This means that you can easily save your work in these folders.

Remember, if you have any questions about the work, please email your teacher and the Head of Faculty. A list of teacher email addresses can be found on the website. If you have any concerns about accessing work generally, please email Mr Daniel (c.daniel@osb.school) and Miss Richards (k.richards@osb.school). If you have a problem with passwords, Dr Murray has emailed you about how to reset your password. Please check your Gmail account.

At any point, if you feel anxious or worried, please do email your Head of Year or Pastoral Manager who may be able to suggest some steps to help you.

You need to be aware that the coronavirus will only go away when we practise **social distancing**. **You may not feel ill, but you can still spread the virus to others. Please don't be a carrier!** This means avoiding gatherings with friends and leaving the house unless absolutely necessary. Following this guidance will save lives. Remember you can always talk to each other on the phone. If you have any concerns about contact that has occurred with other students or with adults, you can always speak to a Pastoral Manager.

Yours sincerely
