Sunday 10 th January	Wednesday 20 th January		Thursday 21 st January
Monday 11 th January	Thursday 21 st January	Friday 22 nd January	

Reporting a Positive Covid case:

Please email sbm@orchard.tila.school. This email will be monitored at key times up until the 24th December. Please give your child's name, the date the symptoms started, the date your child was tested and the date you received the positive results. If your child can remember who they may have spent a lot of time with in close contact (eg sitting with at lunch time), this is also really helpful for us. We will contact you for any further information we need. We really appreciate receiving the positive notification too which you have been sent by the testing service. You do not need to report a negative result.

Thank you for helping to keep our community safe.
